

“Mothers hold their children’s hands for a short while, but their hearts forever.”

On behalf of the San Diego Alumnae Chapter of Delta Sigma Theta Sorority, Inc. I bring greetings and welcome you to the website for all things 31<sup>st</sup> Annual Breakfast for MiLady, “A Tribute to Mothers.” We are thrilled to shine a light on this group of dedicated and accomplished women who have given of their time and talent to worthwhile community service projects. Proverbs 31:31 reads, “Honor her for all that her hands have done, and let her works bring her praise at the city gate.” We extend our sincere gratitude to the organizations that have chosen these women to receive this honor.

Delta Sigma Theta Sorority, Inc., San Diego Alumnae Chapter has a proud 83 year history of serving the San Diego community. In addition to our social action efforts, your support of this event provides funds for the many scholarships we have awarded over the years to deserving high school seniors who are headed to college. Your support also helps fund our youth initiatives such as the Dr. Betty Shabazz Delta Academy for girls ages 11-14 and the Dr. Jeanne L. Nobel GEMS for girls ages 14-18, which remain two of the most impactful programs of our chapter because it affords the opportunity to enrich and enhance the lives of these young ladies by providing them with role models and meaningful opportunities for community service and leadership.

I must take a point of special privilege and give a big thank you to the co-chairs and members of the Breakfast for MiLady Committee and all of the ladies of San Diego Alumnae Chapter of Delta Sigma Theta Sorority, Inc. It is through their tireless commitment and dedication to this event for over 30 years that we continue to celebrate these outstanding mothers. After a two-year pause, we feel blessed to be able to show you in person how much we appreciate you!

Sincerely,

*Carla L. Harris*
